Gynecology/Urology Procedure Chair
SONESTA 6202

The ultimate in positioning for your practice.
The Sonesta 6202 is the ultimate chair for Urodynamics and Any Urology examination. Popular accessories, such as fold up foot rests and a seat cushion without cut out are included as standard. Additionally the locking mechanism for one touch movement, offers best-in-class comfort for the patient and the best available ergonomics and ease-of-use for the physician.

Engineered to be the best, most flexible solution in your examination room:
- Locking mechanism for tensionless and precise positioning
- Three motors for height, seat and back adjustments
- Easy positioning for elderly or physically challenged patients
- Wide range of adjustment, from a low of 16” (40cm) to 39.4” (100cm) high
- Engineered ergonomics. Infinitely adjustable (see specifications) for physician and patient comfort.
- Lightweight and mobile easy to move to other rooms; unmatched access for floor cleaning and disinfecting.
- Tough and reliable, able to support up to 375 lbs-170kg for years of service in the most demanding practices.
- Choose between several color schemes for a perfect fit in your office.

Fluoroscopy Procedure Table
SONESTA 6210

**A versatile examination table with C-arm capabilities.**
The 6210 fluoroscopy procedure table offers the physician standing, seated, and supine positioning capabilities. This versatile table easily adjusts from/to standing, seated, and supine positions via a hand held control, thus creating a table that is easily accessible to patients of any age. The side-mounted cantilevered design offers the physician anterior/posterior, lateral and oblique views without obstruction. For added convenience the table is equipped with a battery backup for short-term use in case of power failures or in emergency situations. The superb c-arm access and a wide range of positioning possibilities, make the 6210 the ideal table for any fluoroscopy procedure.

**Positioned to be the best:**
- Three motors offer unparalleled positioning/access options
- Radiolucent carbon fiber seat and back for head-to-toe imaging
- 4 Double wheel rolling casters offer unencumbered maneuverability

**Standard Accessories:**
- Hand control 524-6356
- 1 plastic funnel w/drainage 6325-9
- 1 Fixed arm rest 524-6021-6

A flexible solution in your examination room.
The Sonesta 6300 series is a flexible solution to your examination room. With three motor functionality the model 6303 will easily adjust the position of your patient with lift, reclining back and a pelvic tilt, all at the touch of a button. Two motor maneuvering is available with an adjustable back and lift motor in model 6302U, where the seat portion is fixed to one of three desired positions. Model 6302 incorporates motors into the lift and seat section, and uses hydraulic pistons to assist in manually raising the back portion of the procedure chair. The Sonesta 6300 series is packaged with basic accessories yet is compatible with the full line of Sonesta add-ons making for a flexible, and comfortable procedure environment.
SONESTA 6302

Your Ergonomic chair with Procedure versatility:
The 6303 is an affordable path to the unique Sonesta flexibility. Three motors provide full height, seat, and back adjustments. Packaged with basic accessories, the 6303 accepts the full line of Sonesta add-ons, allowing you to create the perfect table for your needs.
The 6303’s ergonomic design delivers a higher level of patient and physician comfort and flexibility making it an incredible value in today’s market!

- Sonesta flexibility for office, clinic, or hospital
- Three Motors for height, seat and back adjustments
- Easy positioning for patient and physician comfort
