Features:
- One touch movement locking mechanism for precise positioning
- Versatility
- Three motors are offered for height, seat and back adjustments
- Easy access for the elderly and handicapped
- Engineered ergonomics
- Infinite adjustments 16” (40cm) min. to 39” (100cm) max.
- Lightweight and easy to move
- Supports up to 465 lbs. weight capacity
- UL Certified

Standard Accessories:
2 Arm rests 525-6339-2
2 Leg rests 525-6336
2 Leg rest holders 525-6338
2 Fold up footrests 525-6331
1 Seat cushion without cut out 525-6365
1 Cushion with cut out 525-6366-3
1 Paper towel holder 525-6326
1 Three motor foot control 524-6357
1 Neck pillow 525-6346

Features & Benefits of the Next Generation Sonesta chair:
- Weight capacity - 465 lbs.
- New soft ergonomic and low profile cushions with improved foam - To enhance patient comfort and feel.
- Fold up arm rests - Easy access to the patient from each side: creates a safety precaution when chair is engaged in the table position.
- Height adjustable head rest - For patient comfort and ease of use.
- Vacuum formed back cover - Protecting and covers the frame and other structural parts, for a calmer and less mechanical feeling. Easier to clean.
- Neck pillow - Adjustable using magnets for a more premium feel.
- New handlebar - Supports chair mobility: designed with built-in paper towel holder.
- Footrests - Newly designed with lever to insure safety for end users. Plastic covered magnet keeps footrest in place when folded up.
- New ergonomic leg rest - Improved comfort and asymmetric shapes allow leg rest repositioning during procedures if needed.

A versatile examination table with C-arm capabilities

The 6210 fluoroscopy procedure table offers the physician standing, seated and supine positioning capabilities. This versatile table easily adjusts from/to standing, seated, and supine positions via a hand held control thus creating a table that is easily accessible to patients of any age. The side-mounted cantilevered design offers the physician anterior/posterior, lateral and oblique views without obstruction. For added convenience, the table is equipped with a battery backup for short-term use in case of power failures or in emergency situations. The superb c-arm access and wide range of positioning possibilities make the 6210 the ideal table for any fluoroscopy procedure.

Positioned to be the best:

- Three motors offer unparalleled positioning/access options
- Radiolucent carbon fiber seat and back for head-to-toe imaging
- Four double wheel rolling casters offer unencumbered maneuverability

Accessories:

1 Hand control 524-6356
1 Plastic funnel w/ drainage 524-6325-9
1 Arm rest holder 524-6338-4
1 Arm rest 524-6021-6
2 Leg rest holders 524-6338
2 Heavy duty Rissler Leg rests 524-6336-4
2 Fold up footrests 524-6331
1 Side rail 524-6329
